

We are planning a trip to the Dallas area this winter that is designed to help us grow in our relationship with Jesus. Here are all the details. Call Rick if you have any questions (903.276.3428)

Where, When, What?

- We will go to Irving Bible Church to the Planet Wisdom Student Conference.
- We will leave New Boston on Friday, **February 10th around 1:30 p.m. (that will mean you will need to leave school early in order for us to get to the conference on time)**
- We will return home around 9 p.m. on Saturday, February 11th.
- We will be staying at a Comfort Inn & Suites near the church.
- This conference is designed to help students grow deeper in their relationship with Jesus through powerful worship and in-depth Bible teaching. You can learn more at **PLANETWISDOM.COM**

Sign up and cost info:

- The cost for the event is **\$65** (includes conference registration and hotel)
- You will need **extra money for 3 meals** and anything else you may want to buy at the conference (around \$25-\$35).
- To be signed up, you need to **pay a \$40 non-refundable deposit by December 18th**. You can pay the rest of your balance by February 5th.

We are looking for adults who would like to go as chaperones and drivers, their cost will be covered by the church. We only have a limited amount of seats and we need to sign up early enough before the event sells out. We will take as few as two students or up to as many as 45. This could be a new annual event for us if we all find it to be something that God can use to help us know Him better and follow Him more fully. If you have any questions don't hesitate to give me a call (903.276.3428).
