CRAFT NEEDS

don't forget to buy your child a white T-shirt for one of the craft projects

Mission Project

Every year we have a "friendly competition" between the boys and the girls to see who can raise the most money for a mission project. This year, all funds raised will go to support **The Telford Prison Ministry**. This is a great local ministry to the families of offenders. Many of the weekly visitors to this ministry are children coming to visit their fathers. This ministry gives families a place to relax and wait until it is time for their visit and cares for their needs while in our town.
