

Merry Christmas and Happy New Year!

It's hard to believe another year has come and is almost gone.

As I sit at the computer, working on this Beacon, with Christmas music playing, I'm reminded of Christmas's past with family and friends; home cooking, large family gatherings, the telling of the Christmas story and anticipating Santa's visit.

The new year is almost upon us, 2026, how can that be? Looking back, its been a whirlwind of events. Camps, VBS, XYZ trips and lunches. Don't forget singing at the nursing homes, King's Table events, WOW lunches, musicals, fellowship meals, Thanksgiving events and of course Christmas. (Thanks to the Flower and Decorations Committee for making the Sanctuary so beautiful at Christmas time.).

Looking forward in the new year, I know it will be just at busy all year here at FBC. Be sure to read all the articles inside to see some of the future events being planned and a reflection of past events this year.

Wishing every one the merriest of Christmas's, and the happiest of New Year's.

Be Safe and see you at church.

Paula

# Youth Ministry

December is a favorite for FBC NB Youth! We had a packed month, full of Advent Cheer. Students started the month with Angel Tree shopping. In teams of 3, students utilized a budget and information about their Angel to purchase Christmas gifts for children in need. We also decorated the Sanctuary tree, which is always a favorite! Our annual Christmas party was held with plenty of fun, games, and our White Elephant gift game. December finished out with our end of semester gathering where we met for fellowship and enjoyed a Charlie Brown Christmas. To kick off the New Year, students will be traveling on a Mission/Ski Trip to St Louis, Missouri. We will leave December 31 and return January 4th. Please be in prayer for safe travels, and for the students as they start spring semester. We are busy and blessed in FBC Youth, and thankful to the Lord for all He is doing. If you have questions or would like to get involved, please contact me.

Dr. Patrick Hunter

As we continue to cover our basic Baptist

beliefs, let's take a look at our understanding of salvation. Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

1. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

2. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the pres-

throughout the regenerate person's life.

3. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

## Member Spotlight

Christmas is such a busy and joyful time of year—full of fun, family, and special events! Over the past month, Kingdom Builders has been learning about the birth of Jesus and focusing on the true reason for all the excitement and celebration this season.

This month, we hosted our very first Kingdom Builders event! We transformed our classroom into a movie theater and enjoyed watching *The Star* together. *The Star* is an animated film that tells the story of Jesus' birth from the perspective of the animals. The kids had a wonderful time enjoying popcorn, hot dogs, candy, and juice or lemonade. We also celebrated with a special "Happy Birthday, Jesus" cake! It was absolutely precious to watch the children's excitement when baby Jesus finally arrived. Oh, to see and worship the King with the faith and wonder of a child again!

We are so grateful for all the donations and support that made this event possible. Thank you to everyone who helped—Kingdom Builders truly enjoyed this special celebration!

Dear Friends,

We want to express our deep gratitude for the way you have faithfully stood with us this year. Your prayers have carried us more times than you could ever know, and your generosity through the Lottie Moon Christmas Offering has made it possible for us to live and serve here in Namibia. Because of your partnership, we have been able to plant our feet firmly in this beautiful nation and share the hope of Jesus with those who are searching for Him.

It has truly been a remarkable year. We have witnessed people from every background step into a life-changing relationship with Jesus. We've watched youth, some very young in their own faith, courageously share Jesus with their family and friends, becoming lights in their communities. Also, our church here has grown in spiritual depth, unity, and hunger for God's Word. We have seen the kind of transformation that reminds us that God is always at work, weaving His story of salvation into the hearts of the Namibian people.

Thank you for praying. Thank you for giving. Thank you for believing that God can use your faithfulness to touch lives on the other side of the world. We could not do this without you, and we are honored to serve as your missionaries.

With huge gratitude, Bryan and Dana Bullington

(These missionaries serve through IMB in Namibia and have been here at our mission house.)
